G Tower will feature hotel management, where you can rent the unit for short- or long-term stays. An ideal location for tourists, executives, and people looking for a permanent residence with all the luxuries of a hotel! In Panama City, the Tourism Law prohibits the rental of residential units for less than 45 nights; however, Generation Tower will have commercial permits for rentals of one night or more. Therefore, it is designed for use on platforms such as AIRBNB, EXPEDIA, and similar, and its Return on Investment is higher.
